YOU CAN USE OVER, AND OVER.

Fly all over our map as often as you like for \$149 a week on Texas International. In fact, with our \$149 "Texas Pass", you can fly all week on business, and then fly away for a weekend vacation. Or, you can go between all our Texas cities (and New Orleans) to see

your friends.

Just compare our \$149 "Texas Pass" to the price you'd pay for more than one business-day roundtrip on either Braniff, American or Southwest. It's obvious that Texas International guarantees you more flights for the money.

FLY TO ALL OUR TEXAS CITIES AND NEW ORLEANS FOR JUST \$249 A MONTH.

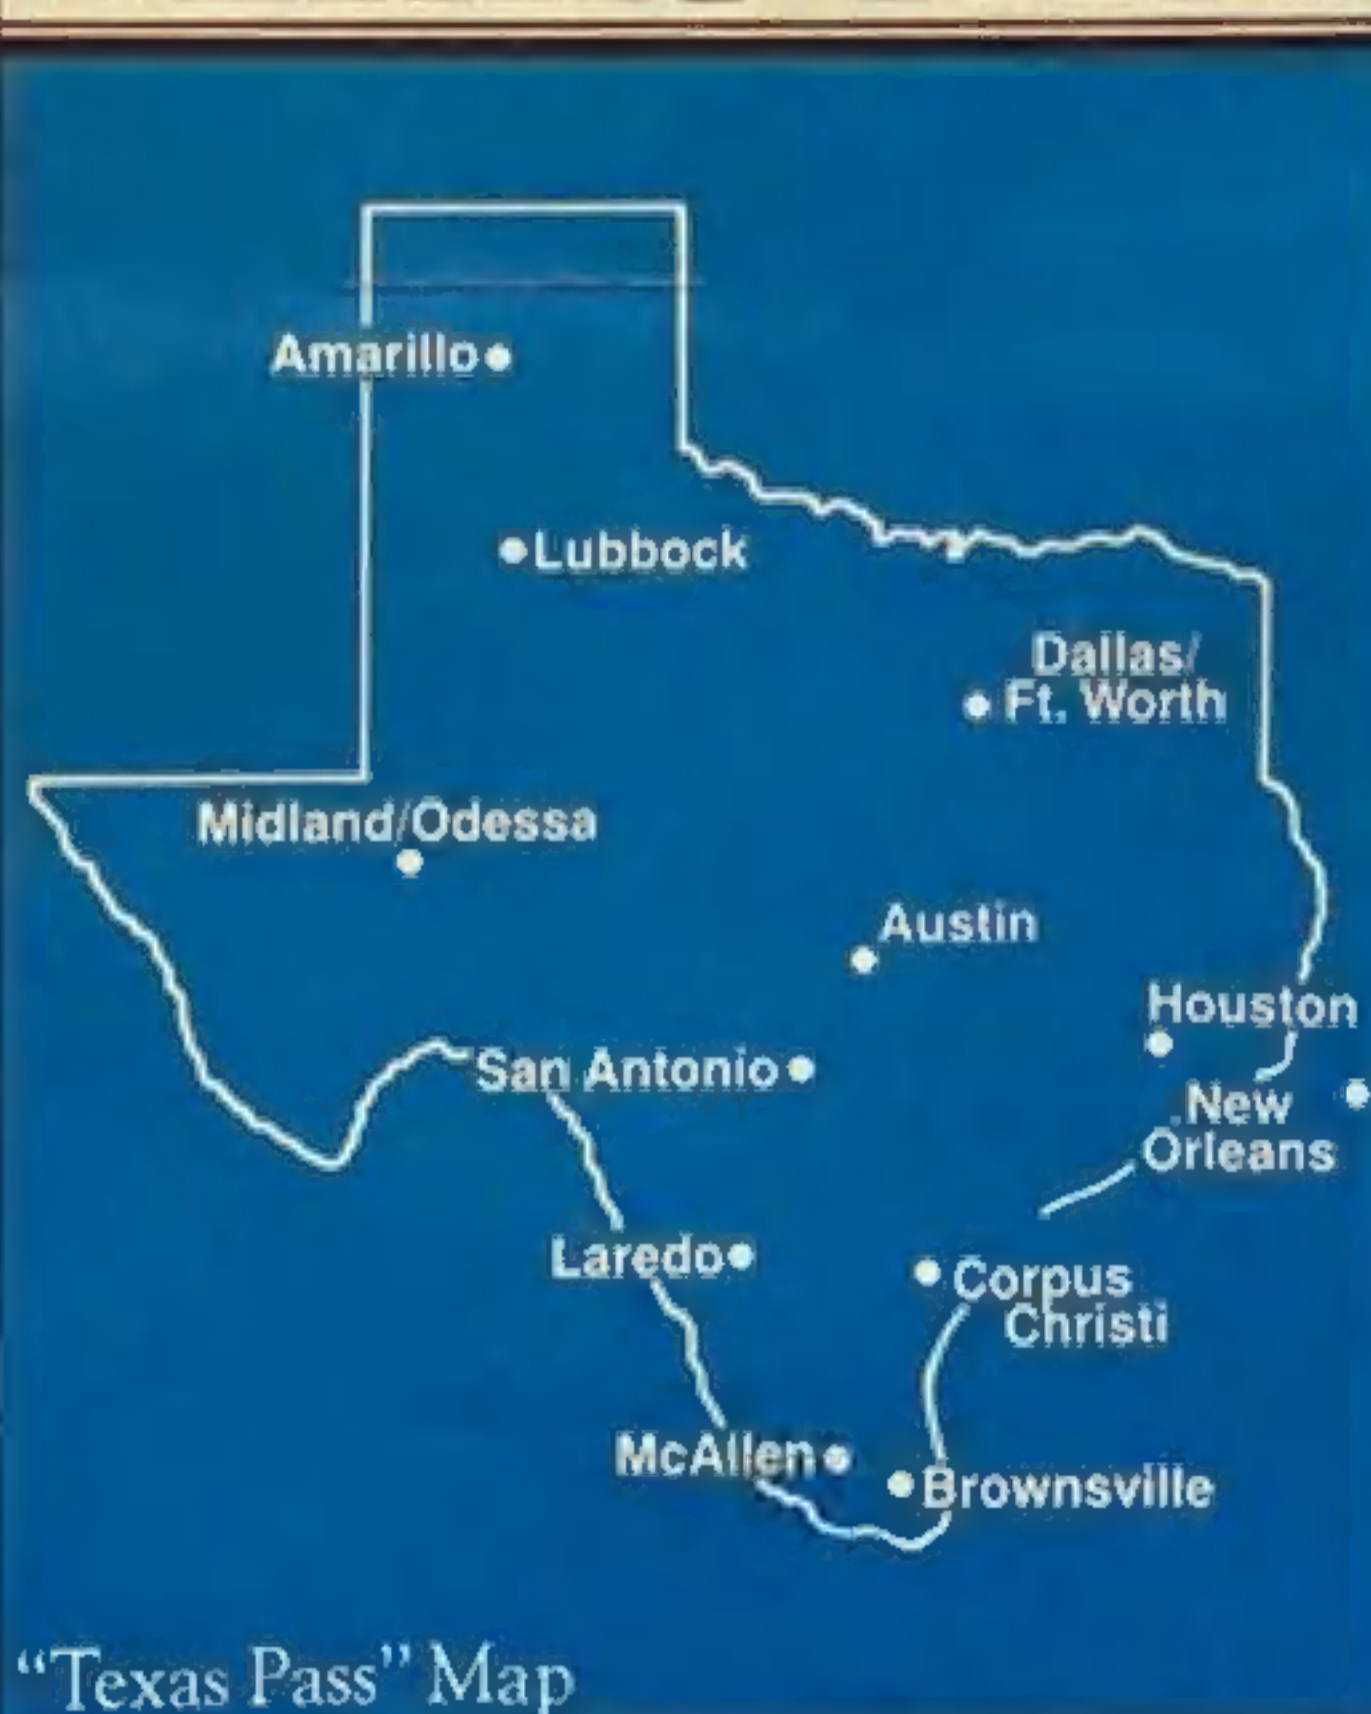

With our \$249 "Texas Pass", you can travel constantly between all our Texas cities (and New Orleans) for 30 days. To pay for as many flights on another airline, you'd almost have to sell some Yankee "The Alamo".

FLY AS OFTEN AS YOU LIKE BETWEEN 2 CITIES FOR JUST \$99 A WEEK.

For someone who commutes all week between the same two cities, we have the \$99 "Texas Pass". With it, you can fly repeatedly all week between Houston and one of these other cities: Austin, Brownsville, Corpus Christi, Dallas/Ft. Worth, McAllen or San Antonio. No other airline lets you take-off as often for so little money.

So, if you want to fly over and over, get yourself a "Texas Pass". No matter which one you choose, you'll get unlimited flights for a limited price. That's our guarantee.
